Live Webcast & Watch Again

Please send this username and password exactly as above to family and friends. You can login to our website at any time to view a test connection (and we strongly recommend you do this) but you will only be able to view the Live Webcast approx. 5 mins before the service start time.

Please be aware this is a public building and the timing of the Live webcast is semi-automated to allow for services running early or late –

please use your discretion if you can see activities not applicable to the service you are here to watch.

Once the service has finished, it will take us up to 3 working days to get the 28-day Watch Again onto the Website.

By default there is a 150 viewer limit on this webcast. If you're expecting more than this please notify us; we will need to make changes and this may incur additional costs.
